

Honeyman Services, LLC. is recruiting Paid Interns. Honeyman Services, LLC. will be utilizing grant funds to develop a Ride Share Education Program (R.S.E.P.) which will teach adults with intellectual and developmental disabilities how to access ride share services such as Uber and Lyft. Interns will assist with curriculum development, tracking and surveying, website design and management, scheduling, enrollment, marketing and advertising. Interns will also work as Instructors presenting and teaching the developed curriculum in the training sessions, in addition Interns will complete individual trainings with each participant and follow up with each individual after trainings have been completed. This will be an in depth Internship that will run from March 1st to December 31st 2019. Interns will need to be available through out the entire course of the grant cycle. Interns will need to have the self discipline and capabilities to work and communicate remotely.

Applicants are encouraged to join us for an informational meeting on

Feb 13th at 5pm
