To access this scholarship, please reach out to the location you are interested in participating with. SafeSplash will contact DP to verify that you are eligible to participate. Please note that Spring and Summer are particularly busy times for swim providers. This means that at some locations April- July may have longer response times, and possible waitlists. Thank you in advance for your patience!

Let your coordinator know you will be taking advantage of this scholarship. You can apply the funds to group, semi-private, or private lessons.

This scholarship will cover your child's participation for five months total per fiscal year. If you have used up your five months and would like to continue accessing this program, please talk to your coordinator about the possibility of requesting additional funds. Please note, additional funds are not guaranteed.
