

# PARENT TRAINING:

**July 10  
2019**

**6:30 PM - 8:00 PM**

**A revolutionary program for  
children 8-12 years with  
social & emotional  
challenges.**

## **Attend this training to learn about:**

- The hierarchy of social skills development; understand how foundational skills (i.e. awareness of self, identifying feelings, understanding non-verbal language) relate to more complex skills (such as conversation and play with peers).
- Learn two of the strategies used in SAS that can be implemented at home.
- Learn about the specifics related to the SAS program (i.e. research, overview, and format).
- This is an opportunity to learn more about social skills and give you the chance to sign up for the 8 week SAS program to work on social skills for your child.

**Special event for children  
during the parent training  
with Feel the Beat.**
