About Rejoicing Spirits

Rejoicing Spirits welcomes, embraces, values and celebrates people with intellectual and developmental disabilities through meaningful and adapted Christian worship services and fellowship time. Individuals are free to be themselves while actively participating as contributing members of an inclusive faith community. People with disabilities, their families and friends come together to worship in a shush-free environment: and can express themselves without being told to "be quiet."

What to Expect

- Upbeat music, joyous singing, brief meaningful messages
- Opportunities for all people to lead, serve and participate
 - Dinner and Fellowship

Rejoicing Spirits Serves as:

- A stepping stone to explore faith in a Christian setting
- A complementary worship service and community for people who already belong to a faith community.
- An inclusive and accepting faith community that may fully meet a person's spiritual wants and needs.
