## Early Intervention Transitions

### Webinar Series

## Reflections from Parents and Medical Providers on Early Intervention Transitions

April 25, 2019

10:00-11:30 AM

Transition from the NICU to Early Intervention (EI) and from Part C EI to Part B School Services can be complex for children with a developmental delay or disability. This 3-part Webinar Series will provide information about Colorado's current processes for transitions within the Early Intervention system, parent's experiences when going through transition. Additional ideas for how Neonatal Intensive Care Unit (NICU) staff, Service Coordinators (SC), EI providers, Primary Care Providers (PCP), Parents or Caregivers, and others involved in the transition process can work together to best support children going through transition will be discussed.
