

Citizens' Advisory Commission on Disability Disability Data & Community Survey

The City of Long Beach wants to hear from YOU!

People with disabilities are experts in adaptation, innovation, and advocacy — qualities that move our City forward. The Office of Equity and the Citizens' Advisory Commission on Disabilities are conducting the Disability and Data Community Survey—and we need your input! Learn more and take the survey.

GET COUNTED AND BE SEEN, TODAY!

People with disabilities who live, work, attend school, or spend time in Long Beach should complete this 15-minute survey. To take the survey online in English, Spanish, Khmer, and Tagalog, please visit www.bit.ly/4slbRvc.
