

2020 FORENSIC LABORATORY COUNSEL TRAINING

May 12-13, 2020

NCED Hotel and Conference Center

Norman, OK

There will be round table discussions and presentations on the following topics: rapid DNA implementation, Giglio disclosures, marijuana and hemp, sexual assault kit processing, probabilistic genotyping, forensic genetic genealogy, and historical case and testimony reviews.

The Draft Agenda will be available in March.

The training will be held at the NCED Hotel and Conference Center, located at 2801 East State Hwy 9, Norman, Oklahoma 73071. Please note that the closest airport is Will Rogers World Airport in Oklahoma City, OK. (Travel days May 11 and May 14)

Room and registration information will be forwarded when available.

Attendees must currently be in positions where they are advising forensic laboratory management, either as in-house counsel or as assigned by their office/agency.
