

## 2021 NIJ National Center on Forensics

University of Alabama at Tuscaloosa  
University of Alabama at Birmingham  
Alabama Department of Forensic Science

The newly established 2021 NIJ National Center on Forensics is working with *Forensic Science Review* to offer complimentary subscriptions to members of the American Society of Crime Laboratory Directors (ASCLD).

The mission of the Center is to:

- Develop and implement scientific and technical learning opportunities that focus on underserved rural areas for the medico-legal community;
- Provide forensic science and legal training to law enforcement, district judges, defense attorneys, prosecutors, and other appropriate criminal justice agencies;
- Develop, consolidate, and provide access to resources, such as education, training, and best practices in the forensic science community

*Forensic Science Review* (<http://forensicsciencereview.com/scope.htm>), the only review journal in the field of forensic science, has been faithfully publishing review articles in forensic science for more than 30 years.

To begin receiving your complimentary copy of *Forensic Science Review*, simply email/fax the following information to:
