### [Member of the Year Award](#)

ASCLD Member of the Year Award recognizes members who have embodied the ASCLD Mission, have participated substantively in ASCLD activities, or have contributed to an ASCLD project or committee. Please consider taking time to nominate one of the many members we have who have made it possible for ASCLD to make a difference in our industry.

The nominations will be scored based on the member's involvement with ASCLD activities, the member's external representation of ASCLD initiatives, and the member's overall impact to the Forensic Science profession for the year. From the nominations received, one member will be recognized at the Annual Symposium.
