Come Hang With Us 4:00–6:30 p.m.

(better yet, ride in the day's IUOE Poker Run for us then catch our mission in action!)

Presentation of Keys Ceremony at 5:00 p.m.
at
The Wisconsin Operating Engineers Training Center
W11584 WI Hwy 21 Coloma, WI 54930

We're rolling "2UP" rider-style...and putting two more injured WI Veteran riders back on the road at once! With Harley-Davidson motorcycles as the tool to assist our recipient's healing, our gift returns their passion for riding and the therapy found in the wind. We aim to gift one bike a year: instead, our small nonprofit is proudly in our sixth year of gifting freedom and now putting Veterans #26 and #27 back on the healing road.

Bring friends—two wheels or four, rain or shine—we'd love to have you with us as we honor the gratitude we have for all Veterans by changing the lives of these two Veterans. We'll be hanging outdoors, under cover, and "take the stage" at 5:00 p.m. to conduct our Presentation of Keys Ceremony where we'll hand over the beautiful H-D Road Glides each of them chose. Trust us, you don't want to miss this emotional and patriotic moment. And get this...BOTH of these bikes are rolling out compliments of the stunning 2021 fundraising efforts of Wisconsin's International Union of Operating Engineers (IUOE) Local 139! Come chat us up, meet IUOE Members and prior Recipients, and connect with friends as we return freedom to those who fought for ours. See our website to learn their stories of service, struggle and strength...or for details on this cool ride!

Our mission is simple: we are a 501(c)(3) WI nonprofit and we raise funds to buy Harleys for injured WI Veteran riders whose healing would benefit from returning to motorcycling. Each gifting is fueled simply by donations...and 100% of every dollar donated for the Bike goes straight to the next Bike & Veteran pairing. Please consider helping fund our next gifting.
