Join us as we hand over another set of keys that will keep Army National Guardsman Nick Brewer connected with the healing road he loves. With a Harley-Davidson motorcycle as the tool to assist a Veteran's healing, our gift returns the therapeutic benefits of riding, a passion, and the supportive camaraderie of the rider community. We created this WI-only nonprofit with the goal of gifting one Harley a year and thereby changing one life a year. This gifting marks the 30th injured WI Veteran that Hogs For Heroes has supported in our now sixth year of returning freedom to those who fought for ours. And unique to this bike, it has been fully paid for by—wait for it...quilters across our nation who participated in a patriotic quilting fundraiser created by Lisa Bongean, Wisconsin's own internationally known quilter and designer (and Harley rider), in partnership with her business, Primitive Gatherings Quilt Shop in Larsen, WI.

Bring friends—two wheels or four, rain or shine—to honor the gratitude we have for all Veterans by supporting this one. We'll be hanging from 10:00 am—1:00 pm on the beautiful Primitive Gatherings grounds and take the stage at 11:00 am to hand over the keys to the 2017 H-D Ultra Limited that Nick chose from Appleton Harley-Davidson. There will be a donation lunch and the chance to check out their awesome digs. And trust us—you don't want to miss this emotional and patriotic moment.

Our mission is simple: we are a 501(c)(3) WI nonprofit and we raise funds to buy Harleys for injured Wisconsin Veteran riders whose healing would benefit from returning to motorcycling. Each gifting is fueled simply by public donations...and 100% of every dollar donated for the Bike goes straight to the next Bike & Veteran pairing, and nothing else. Please consider helping fund our next gifting.
