

Dear Parents,

Let us help you this Halloween with some of your candy needs!

We will be putting together bundles of candy for you to hand out this HALLOWEEN to your trick-or-treaters with a special offer for new students.

Let us know how many bags you will need and we will put them together for you. You don't need to worry about remembering to buy candy for your trick-or-treaters, and you can support Complete Martial Arts at the same time!

Please sign up on the kickwall with how many bundles of candy you would like to hand out. The bundles will be distributed to you 10/14 through 10/25 so you have them in plenty of time to hand out at your door!
