## INTENT TO PROMOTE

Student's Name: \_\_\_\_\_ Rank promoting to: \_\_\_\_\_

One objective of **Complete Martial Arts Academy** is to develop well-rounded students. Through Martial Arts, students learn to thrive at Home and at School! We believe the winning success formula is parents, teachers, and Martial Arts Instructors all on the same page to provide an amazing support system for our children. If our students do not meet the following qualifications, either at home or school, we may withhold belt promotion until there has been satisfactory improvement.

**PARENTS:** Please ensure this Intent to Promote Form is completed and returned the Wednesday before testing.

**TEACHERS:** The completion of this form is one of our mutual student's requirements for advancement of their next belt rank at **Complete Martial Arts Academy**. This form has a place for your feedback - indicating that our mutual student is and has been diligently striving for above average academic grades and "excellent" marks in attitude and behavior. This letter is an opportunity to voice any difficulties our student may be having as well as something positive you would like to share.
