The Cookbooks are coming!!

During the month of **October** the **Lakeside Friends of the Library** is stocking their shelves in the Lakeside branch library with cookbooks of all types. The holidays are coming; time to think about baking all those cookies, cakes and pies. Maybe you'll find a new family favorite recipe to enjoy for a holiday dinner. Books are used but in like-new condition and will be sold at very reasonable prices. New books will be added each week as space allows.

October 29th, all books not sold will be bagged up and sold as mystery bags of multiple books for only a couple of bucks.

Please stop in!!
