Graffiti Removal Program

The County of San Diego Planning & Development Services is hosting three webinars to receive input for a proposed Graffiti Removal Program. These webinars will cover project background and objectives, and will provide an interactive forum to answer questions and gather public input. All webinars will cover the same information, but are offered multiple times so you may select the date and time that is most convenient for you. Please use the QR code or link provided below for more information and for links to the webinars.
