# VIRTUAL CAREER AND EDUCATION FAIR

Connect with Career Training students looking for new opportunities.

Adult Education is the place to connect with candidates from:

- Medical Certification programs
- Administrative Assistant programs
- Accounting and Finance
- IT/CompTIA A+
- Hospitality and Security
- Transportation and Automotive
- Building and Construction Trades
- Academic Programs
- English Language classes

Students in our programs are often bilingual, already have industry experience, and understand the value of soft skills and strong work ethics.

# VIRTUAL CAREER AND EDUCATION FAIR

Adult Ed welcomes you to our FREE Virtual Fair, connecting you to interested candidates with industry experience, up-to-date training, and academic skills!

## How it Works:

- Send us a five minute video or presentation, showcasing career opportunities and top reasons candidates love your company or program, we'll post it on our Job Board
- We will market your opportunities to students, recent graduates, and job seekers community wide
- The day of the event, Zoom in as an expert on an industry panel discussing education, training, and experience required for your most urgent positions and the best way to apply!
- After the fair, we'll connect your recruiters to interested candidates and your job postings and hiring events will be posted online.

*\*We will offer workshops to help candidates prepare their resumes and interview skills in the weeks ahead*
