### FROM PRESIDENT

**LISA SHARP**

Life is starting to open up again and in doing so we are able to start planning for next year with the hope that what we plan for will really happen. We are now planning for the Children's Art Show, the Quilt Show and Bunco.

We will also have the opportunity to participate in other clubs in the Southern District fundraisers. Supporting other clubs is what the Women's club of Lakeside has always thought to be important, and it's a lot of fun too!

We have two more meetings before our summer break and it really feels great being able to see each other in person! If you are new to our club, helping plan an event is a great way to be involved and get to know fellow club members. Soon we will be asking for volunteer's to be on planning committees so sign up and be involved!

Looking forward to seeing everyone on Thursday!
