

River Valley Charter School is hosting a FREE Lakeside Community Trunk or Treat event. This will be a safe and fun event for kids of all ages. For those that are not familiar with us, we are a 7-12th grade charter school in Lakeside.

We are inviting all Lakeside businesses, churches, schools, and other groups to participate by reserving a space, dressing up, decorating their vehicle, and handing out candy to the trick or treaters as they drive through in the safety of their vehicles.

There is no cost to reserve a spot, the only expense is supplying the candy you will give out. This will be a highly publicized event providing a great opportunity to advertise while supporting our community!

All social distancing protocols will be strictly followed and enforced. There will be a minimum of one space between vehicles distributing candy. All trick or treaters will stay inside their vehicles and candy will be given out from a safe distance by using a trash picker or other device—get creative!

All must wear masks, and those handling candy must wear gloves, however this can be incorporated into your costume.

If you would like to participate, please sign up **no later than October 16th** by contacting Steve Riddle at [steve.riddle@rivervalleyhigh.org](mailto:steve.riddle@rivervalleyhigh.org). If you will need more than one space, please let him know. Then, all you have to do is show up anytime after 5pm to set-up!
