

## April is National Volunteer Month

Supporters like you are the reason we are able to help and serve thousands of individuals and families in desperate need. Our programs cannot operate without the commitment and faith it takes to make a lasting difference in the lives of so many. While some are able to commit financially, others choose to offer their skills and time— both key contributors that help to enable the life-changing work and spread hope.

Each year, many volunteers from all different walks of life help with various tasks, including donating goods such as; clothing, diapers, hygiene products and toys for families in need.

This year, we launched a new vision for the youth living here at the center. This includes a sports program, fishing trips, robotics, baking classes and the grand opening of a youth center! All this was done knowing that God would provide the funds, materials, and volunteers needed to expand the vision.

This goes to show how amazing our volunteers are, and we appreciate them. This Volunteer Appreciation Week (and the other 51 weeks of the year)!!

We are so excited to see what the future holds and looking forward to more volunteers coming out to join us in sharing God's love.

If you feel you would like to do more and would like to volunteer with serving in our youth center, we are currently in need of several volunteers. All we ask is that you have a passion for Christ and would like to mentor some pretty amazing kids.
