| *PROGRAM                          | TERM            | PAYMENT                                                                                                                            | RESIDUAL                      |
|-----------------------------------|-----------------|------------------------------------------------------------------------------------------------------------------------------------|-------------------------------|
| 0% INTEREST                       | 18-MONTHS       | PURCHASE PRICE / 18 MOS.                                                                                                           | 5% OF PURCHASE PRICE          |
| 0% INTEREST                       | 30-MONTHS       | PURCHASE PRICE / 30 MOS.                                                                                                           | 10% OF PURCHASE PRICE         |
| 0% INTEREST                       | 18-MONTHS       | PURCHASE PRICE / 12 MOS.<br>(Note: 18-Month Term with <u>no</u> payments due from months 7-12 to accommodate seasonal businesses.) | 5% OF PURCHASE PRICE          |
| STANDARD LEASE & FINANCE PROGRAMS | 36,48,60 MONTHS | Applicable to term                                                                                                                 | \$1.00 or 10% Purchase Option |

**Residual 5% / 10%:** A 5% or 10% residual (dependent upon term of program offered) of the original purchase price is due at the end of the lease term.

**10% Buyout:** The lessee purchases the equipment for 10% of the original purchase price at the end of the lease term.

### Benefits:

- A simple & fast application process.
- Allows you to purchase income-producing equipment with affordable & convenient payment terms.
- Conserve your capital.
- Increase your purchasing power!
- **Improved Cash Flow:** Equipment financing preserves your working capital that could otherwise have been used rather than paying cash for all or a portion of your equipment.
- **Payment Flexibility:** Payment options designed around your specific equipment needs, timing and budget.

**LET YOUR EQUIPMENT PAY FOR ITSELF, AND KEEP YOUR CASH WORKING FOR YOU!**
