Date: **July 30, 2018**

A Vibrant Economy Open House will be held on Monday, August 13, 2018 at the Garrett College Continuing Education Building Room 111, 687 Mosser Rd, McHenry MD, from 3:00 p.m. to 6:00 p.m. The public is invited and encouraged to attend. The Continuing Education Building is building 100 on the campus map which can be located at <https://www.garrettcollege.edu/campus-map.php>.

The Vibrant Economy open house will focus on matters relating to economic development, infrastructure and transportation and give the public an opportunity to share in the planning process and the way you see the county growing. The information that is gathered through this meeting will be influential in the development of the Comprehensive Plan.

The public is also encouraged to visit the county's Comprehensive Plan website at <https://www.garrettcounty.org/planning-land-development/comprehensive-plan>. At that site access is given to the 2008 Comprehensive Plan as well as other useful information. There is also a public comment form that can be used to submit comments. In addition, the public is invited to follow and comment on the Facebook page created and managed by the consultants, AECOM. It can be found by searching for Garrett County Comprehensive Plan in your Facebook search bar.

Any questions can be directed to Chet Parsons, AECOM, at chet.parsons@aecom.com or 304-381-9261 or Deborah Carpenter, Director, Garrett County Planning & Land Management at dcarpenter@garrettcounty.org or 301-334-1924.
