

# Above and Beyond

The Covering House

May 2019

We are pleased to announce our Above and Beyond recipient for last month, Mr. Conrad Heath!

Here are some things that other TCH staff members have said about Conrad:

"He is incredibly helpful! Everyday he shows up with a smile on his face and ready to work with our girls. He is always open to learning and lends a hand wherever he can."

"Conrad has been so gracious to take shifts that are very uncomfortable for different reasons on multiple occasions. It's a big deal to put him on the line for the other team members when things come up and he just have the best attitude! Plus he is very good on the floor and are a pleasure to work with."

"A job well done to Conrad. His spirit and enthusiasm is lifting those around him. Such a blessing!"

"He always has a smile and is radiating happiness. He is a joy to work with and is open to learning and discovering new things. He has an energy that I look forward to seeing each day, the residents like when Mr Conrad works they have lots of fun when he is here."

"He is a wonderful asset to us."

Congratulations Conrad! Thank you for all your hard work.
