

COVID-19 CLINIC CLOSURE

CARING FOR OUR COMMUNITY

Never before in our lifetime has there been an emergency facing our society as there is today. Sadly, The Covid-19 pandemic has devastated communities around the world as never before in our time.

At Yaletown Laser Centre, we have implemented further stringent proactive measures over the past few weeks of limiting appointments, creating social distancing, rigorous disinfection protocols and screening patients.

It is now necessary to take further bolder steps to fully protect our community, and to support and engage in the efforts of our health care and government agencies to curb this relentless pandemic. As of today, Yaletown Laser Centre will be temporarily closed for a couple of weeks; we sincerely apologise for the inconvenience. We will be contacting you personally to reschedule appointments via email or telephone.

Our Doctors and team members are here for you to help with any issues or concerns, questions or queries you may have. Please email us at jennifer@yaletownlaser.com We will stay in touch often to ensure we share important news and methodologies to help get us all through this.

We want to thank everyone and appeal to you to please follow the directive of our health care agencies and governments by washing your hands frequently, following disinfection protocols at home, screening and monitoring your symptoms and of those around you, social distancing always and limiting your outside movements to self-isolate as much as possible. Only our collective efforts can save lives and protect us all and decrease further heartache for all.

We want to thank all our front - line health care professionals, all essential service personnel and our leaders managing this calamity for their dedicated service to our country. Together with kindness, compassion and care for each other we will get through this and be a stronger family and nation.

You are all in our thoughts and prayers always.
With all our love and hugs,

Drs. Shelly & Omar Kassam, Dr. Anali, Dr. Chris & The Yaletown Laser Team.
