Appalachia Service Project 2027

What is ASP

Appalachia Service Project is a Christian ministry, open to all people, that inspires hope and service through volunteer home repair in Central Appalachia. ASP envisions the eradication of substandard housing in Central Appalachia and the transformation of everyone who comes in contact with this ministry.

We will work in groups of seven - two adult leaders and five youth. We'll work on making a family's home warmer, safer, and drier. Typical Projects include insulation, roofing (we've requested no roofing projects), underpinning, flooring, porches/decks, painting, and drainage.
