

2020-12-18 Pastor Letter

Dear Church,

This won't come as a surprise to anyone, but St. Paul Lutheran has a lot of talented kids, families, and adults - folks who are dedicated to the work of God's mission in Wyoming and beyond!

This talent will be on full display this Sunday, December 20th, with our Sunday School Christmas puppet program entitled **"A COVID Christmas,"** followed by Holy Communion. This program, written and performed by our Sunday School children (and produced by some of our amazing parents!) will be posted on our website and Facebook page at 9am. The link will be available to view anytime, and we encourage you to share it with loved ones far and near.

Then, from 1-3pm, St. Paul is hosting its first ever **"Drive-Through Bethlehem"** event! Once at church, you and your car will be directed through a series of stations that bring the Christmas story to life. These stations, all built and hand-painted by volunteers, will have costumed live actors telling the story of Jesus' birth from scripture. You won't want to miss it! Please bring a canned food item to donate to the food pantry.

Hope to see you there!

With joy and thanksgiving,
Pastor Christoph
