HOW TO VOTE AT THE ANNUAL MEETING

Per the St. Paul Synod guidelines, to vote for the Candidate for Pastor, **you must attend the annual meeting – either in person or virtually and be a member in good standing.**

If voting in person, all voting materials will be provided for you.

If voting remotely, the only anticipated vote that will need to be written is the vote to call the pastor, all other votes will be done by a show of hands. To vote to call the Pastor, you will need a blank sheet of paper (to write the motion on), an envelope (to write your name on the outside of and put the motion in) – this is required for each voting member. One person may bring multiple people's envelopes to the church.

The synod requires a written ballot be received from each voting member who attended the meeting to call a pastor. These ballots must be dropped off at the church's front doors, by 2:00 pm on Sunday, February 14th. Someone will take your ballot; you won't even have to get out the car!

All may attend, voting members may vote.
