Dear families and parishioners,

We are writing to let you know that effective the end of this school year, Kathy DiMeglio, AKA Miss Kathy, will be stepping down from the director position at All God's Children Preschool.

Kathy had initially interviewed for the teaching position and graciously stepped-up to fill the director role when we were in need of someone of her caliber and qualifications within a very limited time frame last summer. We thank her immensely for her time, energy, flexibility and adaptability as we all pulled together to make this year such a success!

Going forward, we already have a few people in mind for the director position, but if you have someone you would like us to talk to, please let us know. Kathy's announcement gives us plenty of time to find the right match for next year and beyond, and we anticipate filling the position by no later than mid-July.

Kathy remains interested in teaching at All God's Children Preschool if that opportunity presents itself. We will have a better understanding of our needs as enrollment comes in. So, we encourage parents and families who would like to enroll their child at All God's Children to register with Kathy ASAP, as this will help us in setting plans for the fall. In any case, Kathy has let us know she will be available during the transition period to guide and train her replacement.

We will keep you all informed of any changes as they are made. Thank you for your understanding, patience and ongoing support of All God's Children preschool and its mission. Attached is the letter Kathy wrote talking about her time at All God's Children and her reasons for stepping down. If you have any questions or suggestions, please reach out to Kathy or one of the board members, and we would be glad to speak with you.

Sincerely,

All God's Children Preschool Board

Dear Parents & Church members,

It's been a golden opportunity to have "stepped into" the director position at All God's Children Preschool. I have felt fully supported by everyone at St. Paul Lutheran. I have valued my time getting to know members of the congregation and especially all the children and families at **All God's Children Preschool**.

My decision comes with clarity, certainty and enthusiasm for the next steps in my professional career. I have appreciated the director's position as it has been an excellent place to serve and learn as I continue my path.

This past year I have thoroughly enjoyed my co-teacher Ms. Julie and the eagerness and brilliance of the children. I have also been impressed with the parents' /families' engagement and support of the preschool and its mission.

And lastly, I am super excited about the growth and opportunity that lies before the preschool. I stand firmly knowing that there are many parents who value what All God's Children has to offer our children and the community, and I look forward to its continued thriving in this place!

Warmest regards,

Kathy DiMeglio
