IN COOPERATION WITH
Burnsville promise
Opportunities for youth cradle to career

EMPLOYERS: If you are looking to fill summer, part time or full time positions, we invite you to participate in the Student Job Fair. We are inviting students from the south of the river high schools and post-secondary schools to participate in this first time event.

Space is limited to the first 100 employers, no employment agencies please.
Food and prizes will be available for youth.

To reserve your space, [**CLICK HERE**](#)

When registering, please share any age restrictions for employees so we can market your booth accordingly. Also indicate if space were available, would you have interest in hiring on the spot?

The non-refundable registration fee is \$50 which includes a 6' table, two chairs and signage. **No latex balloons allowed due to allergies.** We ask that each business bring a door prize and your own table covering.

Burnsville High School students were recently surveyed to assess their interest in finding employment. There was a positive response from students seeking all employment types, including part time and full time for summer and part time year round.
