PRESS RELEASE FOR IMMEDIATE RELEASE

Gateway Bank Announces Second Location in Edina

Mendota Heights, Minnesota - Gateway Bank, Mendota Heights, was founded in January of 2004 and is excited to announce its second location. The new branch of Gateway Bank will be located at 45th and France Ave. on the border of Edina and Minneapolis. The new Gateway Bank branch will provide full-service banking with experienced bankers who understand the local market and can help businesses and individuals with their financial needs.

President Bruce Downey said “We have been searching for the right location for the past five years and are very excited about coming to 45th and France Ave. I grew up in the Morningside area of Edina and know that Gateway Bank will be the perfect fit for a community bank to serve the residents and businesses in Linden Hills, Edina, St. Louis Park and surrounding areas. I am also happy to announce that Brian Maxwell, currently Senior Vice President of Gateway Bank, will be leading the new office.”

Senior Vice President Brian Maxwell said “My wife and our three children have been part of the Edina community for the past 10 years and look forward to providing the excellent client service and community involvement that has been our trademark in Mendota Heights. This is a very exciting time for Gateway Bank clients, neighbors, and communities.”

CEO John Schreier said “We’re extremely proud to be a part of a responsive local bank. By focusing on the needs and concerns of our clients as only a small, local community bank can, Gateway Bank works to earn your business every day. “

Orion Development is the developer of the site in Edina and received approvals for the development in August and September. Construction has begun and Gateway Bank plans to be in the new building by the end of the second quarter of 2017.

ABOUT GATEWAY BANK

Gateway Bank was established in 2004 as a locally owned community bank. For more information visit www.gateway-banking.com.
