

Dear Friends,

While our pantry shelves are brimming with food thanks to a generous outpouring of support this holiday season, we know that come February that will not be the case. I am asking you to join us at The Open Door Super Bagging Event benefitting the mission of ending local hunger through access to healthy food.

Engaged community members like you will greet neighbors and friends, bag groceries for tips, and promote Community Cares food bag purchases—all to help stock The Open Door's Pantry shelves during one of our slowest times of the year for support!

Last year this event yielded 3,500 lbs of donated food, and raised more than \$4,300 in financial support! With your help, this year we anticipate more than doubling last year's impact!

After 3 successful years at the Cub East store at Diffley & Lexington, we are thrilled to share that this year we are expanding to all three Eagan Cub Stores! This means 3x the opportunity for engaging the community for support, and it also means 3x the need for volunteers to make this event a success.

Home Federal and Cub have teamed up to make this event possible, and now we need your help to make this event a success!

- Sign up for 2-hour volunteer bagging shifts on Sat., Feb 4 or Sun., Feb 5 at one of the three stores (links by store below) • Better yet, have your family, school, youth group, or company sign up for an entire shift (8-10 volunteer slots)!

- Promote the event to your friends, neighbors, faith community, school, business and social networks

Together we can make a tremendous impact on the availability of fresh, healthy food for our neighbors who need our help. Please join us.
