## ***Boeckman Middle School***

Dear Area and School Community Member,

In an effort to prepare all middle school students for life after high school, Boeckman Middle School will be hosting an 8<sup>th</sup> grade career fair on December 8<sup>h</sup>, 2016. It is essential that all students have a better understanding of the different career pathways that are available to them. Our hope is the career fair will expose students to different options available and help them to choose high school courses and college options based on this information.

In order to make this possible, we need your help! We are asking that you support the Farmington middle school students by volunteering your time to speak about your career during our career fair. There are two ways you can volunteer your time. Some participants may take part in a panel-style discussion focused on employers who would be hiring high school aged students, while other participants will be asked to discuss their careers in a traditional career fair setting with booths, exhibits, and questioning by the students. If possible, we encourage you to bring tools or items from your job.

The 8<sup>th</sup> Grade Career Fair is on December 8<sup>th</sup>, 2016 from 12:00-2:25pm at Boeckman Middle School. Your willingness to volunteer your time at this career fair will help 8<sup>th</sup> grade students gain an understanding of what careers will be a good fit for them. Please contact Peter Fleenor if you are interested or have any further questions. For those who are interested, you will be contacted with more details about the career fair.

Thank you so much for your support!

Boeckman Middle School 8th Grade Teachers & Counselors  
Farmington Area Public Schools

If you are interested please complete the following form and return it to your student's Tiger Connections teacher or contact Peter Fleenor
