MEDICAL MINISTRY TEAM

Our Mission

The mission of the Medical Ministry Team is to offer Christ-centered medical support, promote wellness, and equip both our church family and surrounding community with resources for emergency preparedness, health education, and compassionate care. We aim to reflect the love of Jesus through service, presence, and readiness.

Ministry Goals

- **Emergency Response:** Provide immediate assistance during medical events at services or church functions.
- **Preparedness & Safety:** Maintain first aid stations, AEDs, kits, and emergency equipment.
- **Health Education:** Offer workshops such as CPR/AED training, first aid classes, health awareness sessions, and family safety resources.
- **Community Outreach:** Partner with local organizations to support clinics, screenings, and wellness initiatives.
- **Spiritual Care:** Offer prayer, support, and encouragement to individuals facing health-related struggles.
- **Long-Term Impact:** Build sustainable community partnerships that extend our ministry beyond our walls.

We Are Looking for Volunteers!

You do not need medical experience to join—there is a place for everyone. Volunteer roles include:

- Nurses, Paramedics, EMTs
- Physicians, Nurse Practitioners, PAs, Medical Assistants
- Pharmacists
- Trained first responders
- Individuals who can assist with communication, organization, hospitality, or prayer support
- Anyone with a heart to serve others

If God has gifted you with medical knowledge, a willingness to help others, or simply a desire to support this mission, we invite you to prayerfully consider joining the team.

Isaiah 58:10

If you spend yourselves on behalf of the hungry and satisfy the needs of the oppressed, then your light will rise in the darkness...

How to Get Involved

If you feel called to serve or want more information, please contact the Heritage Church Office at 479-474-6424.

The office will connect you with the ministry coordinator, Jessica Minton.
