Clean Up and Green Up Week– Green River June 13th-20th

Annual City-Wide Clean Up 2020

The Green River Chamber of Commerce in conjunction with the City of Green River and Wyoming Waste Systems is excited to announce its 2020 City-Wide Clean Up Week. City of Green River citizens are encouraged to help beautify the city by picking up trash and debris that has collected over the past year. The event is planned for the week, June 13th – 20th. Areas of focus include the business corridors and education and recreation areas within the city limits.

Volunteers will pick-up Bags & Gloves June 8th-12th from 8:30am-5:30pm at the Green River Chamber of Commerce/Visitor Center, get garbage bags, gloves and then choose an area to clean for the week of June 13th – 20th. All collected trash and debris need to be placed in designated Wyoming Waste dumpsters on the week of June 13th-20th. Also, shredding bins will be available at the Green River Chamber from June 15th–19th. Residents are welcome to bring the materials they need shredded to the chamber during that time. Please be advised this is on a first come first serve basis in case the bins do fill up.

Volunteers can sign up in advance from June 8th- 12th. Volunteers may also sign up online through our website at www.grchamber.com/pages/CleanUpDay. For more information contact the Green River Chamber at 307-875-5711 or e-mail to pr@grchamber.com

Please abide by all social distancing requirements!
