HB1005

HEALTH AND INSURANCE MATTERS (SCHAIBLEY D) Requires the governing board of a nonprofit hospital to hold public semiannual meetings concerning health care services pricing and measures the hospital is taking to make health services more affordable. Provides that a facility is an off-campus location of a hospital if: (1) the operations of the facility are directly or indirectly owned or controlled by, or affiliated with, the hospital; (2) the facility provides services that are organizationally and functionally integrated with the services of the hospital; and (3) the facility provides preventive services, diagnostic services, treatment services, or emergency services. Requires an off-campus location of a hospital to apply for, obtain, and use on all claims for reimbursement or payment a national provider identifier separate and distinct from the national provider identifier of the hospital of which it is an off-campus location. Requires hospitals and ambulatory surgical outpatient centers to post certain health care services pricing information by billing code on the hospital's Internet web site and sets forth requirements. Requires: (1) a provider facility (including a hospital) in which a nonemergency health care service will be performed; or (2) a practitioner (including a physician) who will perform a nonemergency health care service; upon request from the individual for whom the nonemergency health care service has been ordered, to provide a good faith estimate of the charge for the nonemergency health care service not more than 72 hours after receiving the individual's request. Requires a health carrier (including an insurer or a health maintenance organization) to provide to an individual who is entitled to coverage from the health carrier, not more than 24 hours after the individual requests the information, a good faith estimate of: (1) the amount of the cost of the nonemergency health care service that the health carrier will pay for or reimburse to the covered individual; or (2) the extent and nature of the ordered nonemergency health care service a covered individual is entitled to receive. Requires the department of insurance to submit a request for information and a request for proposal concerning the establishment and implementation of an all payer claims data base and sets forth requirements. Provides that if a health carrier provides coverage to the individual through a network plan, the health carrier shall inform the individual whether the provider facility in which the nonemergency health care service will be provided and the practitioners who will provide the nonemergency health care service are included in the health carrier's network plan. Requires provider facilities and practitioners to post signs in waiting rooms and offices and to provide Internet web site notices about the availability of estimates of the amount the patient will be charged for medical services. Requires health carriers to provide Internet web site notices about the availability of good faith estimates of coverage for nonemergency health care services. Provides penalties for noncompliance by provider facilities, practitioners, and health carriers. Requires an insurance producer to disclose commission information. Prohibits health provider contracts from including provisions that prohibit the disclosure of health care service claims data to employers providing the health coverage and makes a violation an unfair and deceptive act.

HB1006

REGULATION OF TOBACCO PRODUCTS (KIRCHHOFFER C) For purposes of IC 7.1 and the provisions of IC 35 concerning sales and distribution of tobacco products to minors, defines "tobacco product" as any of the following: (1) A product containing tobacco or nicotine, including a cigarette, cigar, pipe tobacco, chewing tobacco, snuff, or snus. (2) An electronic smoking device that may or may not contain nicotine, including an electronic cigarette, cigar, pipe, hookah, vape pen, and cartridge. (3) E-liquid that may or may not contain nicotine. (4) Any component or part of those items that may or may not contain nicotine, including filters, rolling papers, blunt or hemp wraps, and pipes. Requires a person to be at least 21 years of age to purchase tobacco products or to hold a tobacco sales certificate (certificate) to sell tobacco products. Requires a seller of tobacco products to verify the age of a purchaser who appears to be less than 30 years of age (instead of 27 years of age) by checking a government issued identification. Makes a certificate expire annually (instead of every three years). Prohibits the issuance of a certificate within three years of the revocation of a previous certificate for that location. Increases the civil penalties for a retailer that sells tobacco products to a person under 21 years of age and provides the following: (1) Requires suspension of the certificate for a retail establishment that has two or three violations within three years. (2) Requires revocation of a certificate for a retail establishment that has four violations within three years. Provides that a retailer that has four violations in three years (instead of six violations in 180 days) commits habitual sale of a tobacco product, a Class B infraction. Provides that the primary activity of a "tobacco business" is the sale of tobacco products. Prohibits a tobacco business from locating within 1,000 feet (instead of 200 feet) of a school after June 30, 2020, unless the tobacco business was in operation before: (1) July 1, 2020; or (2) the school located near the tobacco business. Requires a person to be 21 years of age (instead of 18 years of age) to enter certain businesses where smoking is permitted. Requires a vending machine that sells tobacco products to be located in an area where only persons who are at least 21 years of age are permitted. Provides that a person who is a nonmanagement level employee of a retailer who sells tobacco products to a person less than 21 years of age may be allowed to complete an education program for retailers instead of paying a civil penalty. Provides that a person who: (1) is not a retailer or employee; (2) is at least 21 years of age; and (3) purchases a tobacco product for a person who is less than 21 years of age; may be assessed a civil penalty of not more than fifty dollars (\$50). Repeals a statute that makes it a Class C infraction for a person under 18 years of age to purchase or possess tobacco or an electronic cigarette for personal use.

HB1018 **STUDENT HUNGER AND HOMELESSNESS (HARRIS JR. E)** Establishes the student hunger and homelessness study committee (committee) for the purposes of: (1) studying the prevalence of homelessness, housing insecurity, and food insecurity among students at Indiana colleges and universities during the 2020 academic year; and (2) providing suggestions for eliminating these issues. Provides that the committee must

determine, as accurately as practicable, the number of Indiana college and university students who are homeless, housing insecure, or food insecure. Provides that the committee consists of: (1) an employee of the family and social services administration; (2) an employee of the department of child services; (3) an employee of the department of education; (4) an employee of the commission for higher education; (5) an employee of the Indiana housing and community development authority; (6) a member of the commission on improving the status of children in Indiana; and (7) an employee of each state educational institution. Provides that the committee may solicit assistance from private groups, colleges, and universities in performing the study. Requires the committee to report the results of the study to the governor and the legislative council not later than July 31, 2021.

HB1077 **PROFESSIONAL LICENSING AGENCY (ZENT D)** Amends various statutes to conform to HEA 1269-2019. Removes the one year limitation on renewing the registration of a pharmacist intern. Removes the requirement that an out-of-state provider's home state extend reciprocity to Indiana licensees when considering the out-of-state provider's application for a license to provide home medical equipment services on the basis of reciprocity. Reorganizes the home medical equipment services statute by separating the reciprocity requirements

from the general license application statute. Updates terminology in the physician assistant statute to refer to collaboration rather than supervision in conformance with HEA 1248-2019. Specifies that an Indiana registration may be termed "surrendered for cause" if a registrant's federal registration for the manufacture, distribution, or dispensing of controlled substances is terminated, denied, suspended, or revoked by the Drug Enforcement Administration. Makes technical corrections.

HB1134

RESIDENTIAL HOUSING DEVELOPMENT PROGRAM (MOED J) Defines "residential housing" as housing or workforce housing that consists of single family dwelling units sufficient to secure quality housing in

reasonable proximity to employment. Revises the requirements an allocation area must meet for the redevelopment commission to establish a program for housing. Allows the redevelopment commission of a consolidated city to establish a program for residential housing development and a tax increment funding allocation area for the program if the average of new, residential houses constructed in the consolidated city in each of the preceding three years is less than 1% of the total number of residential houses located in the consolidated city. Requires the department of local government finance, in cooperation with the appropriate agency of the consolidated city, to determine eligibility for the program. Specifies the findings the redevelopment commission must make before adopting the residential housing development program. Provides that all of the rights, powers, privileges, and immunities that may be exercised by the redevelopment commission in blighted, deteriorated, or deteriorating areas may be exercised by the redevelopment commission in implementing its program for residential housing development, including levying a special tax, issuing bonds, or entering into leases and allocating incremental property tax revenue.

HB1326

COMMUNITY MENTAL HEALTH CENTERS (KIRCHHOFFER C) Provides that: (1) licensed clinical social workers; (2) licensed mental health counselors; (3) licensed marriage and family therapists; and (4) licensed clinical addiction counselors; are eligible supervisors for addiction based intensive outpatient treatments under Medicaid. Defines a community mental health center as a governmental unit for purposes of required nonfederal share medical assistance payments under Title XIX of the Social Security Act. Requires the office of the secretary of family and social services (office) to consider any provider currently enrolled in the Medicaid program to be credentialed for the purpose of managed care credentialing that complies with the National Committee for Quality Assurance or its successor organization, if applicable. Requires the office to modify, not later than December 31, 2020, existing managed care Medicaid contracts to require a managed care entity to accept the active credential of a licensed individual who is credentialed by another managed care entity. Specifies that the credential of certain providers shall remain in place for a period of three years, regardless of where the provider is employed, if the credentialed individual is currently licensed to provide services under their scope of practice. Specifies that a recovery audit does not require documentation at the time of service for services

provided in certain instances. Allows a supervising provider in a community mental health center to review documentation concerning: (1) a plan of treatment; or (2) specific treatment methods; at intervals not greater than 90 days. Exempts certain reviews and audits from documentation by signature. Provides that a consumer: (1) is not required to sign a plan of treatment in certain instances; and (2) must be conferred with by the practitioner responsible for the development of a plan of treatment when developing: (A) the contents of the plan of treatment; or (B) treatment recommendations. Requires the division of mental health and addiction (division) to: (1) ensure that no less than 75% of all nonobligated federal addiction based grant funding is used for direct clinical consumer treatment provided in a community mental health center; (2) not limit the ability of licensed professionals working in community mental health centers to make certain clinical decisions; and (3) not draw conclusions about certain: (A) clinical decisions; or (B) consumer decisions; during incident review or audits. Requires the division to provide best practice recommendations and to work with community mental health centers in a collaborative manner. Requires the division to amend certain administrative code provisions. Requires the division to develop a comprehensive appeals process under the mental health and addiction forensic treatment program not later than January 1, 2021. Specifies that there is no restriction on same day Medicaid billing for consumers referred to mental health and addiction forensic treatment services when the services occur on the same day. Provides advanced practice nurses with all of the supervisory rights and responsibilities of: (1) licensed physicians; and (2) health service provider in psychology (HSPP) psychologists; in certain instances. Repeals a provision concerning eligible providers for supervising treatment plans.

- HB1351** **TOBACCO AND VAPING (VERMILION A)** For purposes of IC 7.1 and the provisions of IC 35 concerning sales and distribution of tobacco delivery systems to minors, defines "tobacco delivery systems" as any of the following: (1) A product containing tobacco or nicotine, including a cigarette, cigar, pipe tobacco, chewing tobacco, snuff, or snus. (2) An electronic smoking device that may or may not contain nicotine, including an electronic cigarette, cigar, pipe, hookah, vape pen, and cartridge. (3) E-liquid that may or may not contain nicotine. Requires a person to be at least 21 years of age to purchase a tobacco delivery system or to hold a tobacco sales certificate (certificate) to sell a tobacco delivery system. Makes a certificate expire annually (instead of every three years). Prohibits the issuance of a certificate within three years of the revocation of a previous certificate for that location. Increases the civil penalties for a retailer that sells a tobacco delivery system to a person under 21 years of age and provides the following: (1) Requires suspension of the certificate for a retail establishment that has two or three violations within three years. (2) Requires revocation of a certificate for a retail establishment for three years that has four violations within three years. Provides that a retailer that has four violations in three years (instead of six violations in 180 days) commits habitual sale of a tobacco delivery system, a Class B infraction. Requires a seller of e-liquid to verify the age of a purchaser who appears to be less than 30 years of age (instead of 27 years of age) by checking a government issued identification. Provides that the primary activity of a "tobacco business" is the sale of tobacco delivery systems. Prohibits a tobacco business from locating within 1,000 feet (instead of 200 feet) of a school after June 30, 2020, unless the tobacco business was in operation before: (1) July 1, 2020; or (2) the school located near the tobacco business. Requires a person to be 21 years of age (instead of 18 years of age) to enter certain businesses where smoking is permitted. Requires a vending machine that sells a tobacco delivery system to be located in an area where only persons who are at least 21 years of age are permitted. Provides that a person who is a nonmanagement level employee of a retailer who sells a tobacco delivery system to a person less than 21 years of age may be allowed to complete an education program for retailers in lieu of paying a civil penalty. Provides that a person who: (1) is not a retailer or employee; (2) is at least 21 years of age; and (3) purchases a tobacco delivery system for a person who is less than 21 years of age; may be assessed a civil penalty of not more than \$50. Provides that a person who knowingly or intentionally sells an e-liquid or an electronic cigarette that contains: (1) a concentration of nicotine that is more than 20 milligrams per milliliter; or (2) vitamin E acetate; commits a Class C misdemeanor. Repeals a statute that makes it a Class C infraction for a person under 18 years of age to purchase or possess a tobacco product for personal use.

MENTAL HEALTH DISABILITY REVIEW PANELS (BOOTS P) Establishes mental health disability review panels (review panel) for evaluation of members of the 1977 police officers' and firefighters' pension and disability fund (1977 fund) who have been determined to have an impairment for mental illness. Includes mental illness in the description of "occupational diseases" for purposes of determining whether a 1977 fund member has an impairment. Makes the final determination of an impairment for a mental illness provisional for two years: (1) beginning July 1, 2020, for a final determination made after December 31, 2012, and before July 1, 2020; or (2) from the date of the final determination, for a final determination made after June 30, 2020. Requires that, during that time, the 1977 fund member participate in a mental health treatment plan, at the employer's cost, and at the end of the two year period, requires the review panel to evaluate the 1977 fund member to determine if the 1977 fund member: (1) is medically able to return to duty; or (2) may continue for another two year provisional disability period. Requires that, at the end of the second provisional period, the review panel evaluate the 1977 fund member to determine if the 1977 fund member: (1) is medically able to return to duty; or (2) has a permanent impairment. (The introduced version of this bill was prepared by the interim study committee on pension management oversight.)

PSYCHOTROPIC MEDICATION IN FOSTER CARE (GROOMS R) Requires Medicaid restrictions on a mental health drug prescribed to an individual less than 18 years of age if: (1) federal financial participation is not available for reimbursement for the prescription; or (2) the individual is under the care and supervision of the department of child services (department). Beginning January 1, 2021, requires the department to employ or contract with consultants who are licensed child and adolescent psychiatrists to review and provide written determinations and recommendations regarding each request to administer psychotropic medication to a child who is under the care and supervision of the department. Requires the department to: (1) approve a request for consent to administer a psychotropic medication if the consultant determines that the requested psychotropic medication is appropriate and recommends approval of the request; and (2) deny a request for consent to administer a psychotropic medication if the consultant recommends denial of the request. Sets forth time frames for review of a request for consent to administer a psychotropic medication. Requires the department to monitor prescriptions of psychotropic medication for children under the care and supervision of the department and provide a quarterly report to the mental health Medicaid quality advisory committee. Requires residential child care entities licensed by the department to: (1) obtain written instructions and consents before providing psychotropic medication to a child; and (2) maintain a record of information regarding the administration of psychotropic medication to a child. Allows for psychotropic medication to be administered without consent of the department in an emergency under specified circumstances, and requires consent to be requested within 24 hours of the administration of the initial dose of psychotropic medication.

CRIMINAL LAW ISSUES (YOUNG M) Provides that, if certain criminal penalties are increased (or, in the case of an infraction, imposed) due to a prior conviction or infraction committed by a defendant, the new offense must have been committed not later than seven years from the latter of the date: (1) of the conviction or infraction judgment; or (2) the person was released from incarceration, probation, or parole. Excludes certain crimes and classes of crimes from the seven year lookback period. Specifies the duties of an operator of a boat who is involved in an accident or collision resulting in injury. Provides that an indigent defendant has the right to consult with and be represented by counsel at the initial hearing. Adds strangulation and domestic battery to the definition of "crimes of violence". Removes: (1) unlawful possession of a firearm by a serious violent felon; and (2) resisting law enforcement by fleeing; from the definition of "crimes of violence". Specifies that references to a conviction for Indiana offenses include: (1) an attempt to commit the offense; (2) a conspiracy to commit the offense; and (3) a substantially similar offense committed in another jurisdiction. Provides that credit earned by a person on pretrial home detention does not include accrued time. Specifies that the violation of a condition of home detention does not constitute the crime of escape. Makes it a crime to possess a firearm with an obliterated serial number (under current law, it is only a crime to possess a handgun with an obliterated serial number). Provides a defense to possession of "smokable hemp" if the hemp is carried in continuous transit from another state through Indiana to another state. Makes technical corrections.

GRANDPARENT VISITATION (HOUCHIN E) Provides that an individual is a grandparent for purposes of the grandparent visitation statute if the individual is, or was at any time, the: (1) parent of a parent of the child; (2) adoptive parent of a parent of the child; or (3) parent of an adoptive parent of the child. Provides that a paternal grandparent of a child does not have standing to seek grandparent visitation if the child's father has not established paternity in relation to the child. (Under current law, such a grandparent has standing to seek grandparent visitation, but may not be awarded grandparent visitation.) Provides that in determining whether grandparent visitation is in the best interests of a child, the court may consider whether the child's parent has prevented the grandparent from having meaningful contact with the child due to estrangement of the relationship between the parent and the grandparent. Removes a requirement that a petition to seek grandparent visitation must be filed before the adoption of the child. Provides that a court may modify an order granting or denying grandparent visitation only if modification would serve the best interests of the child. Provides conditions under which standing to seek grandparent visitation survives: (1) establishment of the paternity of the child; and (2) the adoption of the child by certain family members. Provides that grandparent visitation awarded before adoption of the child by certain family members does not survive the adoption if neither of the child's parents has parental rights at the time of the adoption. Removes the requirement that a grandparent must be notified of a grandchild's pending adoption by a family member. Makes conforming amendments.
