Explore the spectacular sights and cultural delights of Lucerne on a 2-hour morning walking tour with a knowledgeable guide. Stroll the intimate tangle of alleyways in search of impressive monuments like Chapel Bridge (Kapellbrücke) and the ancient Jesuit Church. Gaze at the metropolitan Culture and Congress Center and delve into the rich historical heritage of the city by listening to entertaining commentary from your guide. (B, D)

Day 4: Lake Lucerne - Mt. Pilatus

After an hour-long cruise around the lake, you'll ride up the steepest — and most scenic — cogwheel railway lines in Europe. Stop at the peak of Mt. Pilatus where alpine vistas await. Your tour finishes outside Lucerne, but it's a short and easy journey back to the city via public bus. (B)

Day 5: Lucerne Cruise

Board the ship at lunchtime and embark on a relaxing First Class cruise on Lake Lucerne to Vitznau or Küsnacht and back. Admire the stunning views of the lake and

its surrounding landscape as you sit down to savor a delicious meal on boat. Enjoy the remaining afternoon at leisure. (B)

Day 6: Grindelwald & Interlaken

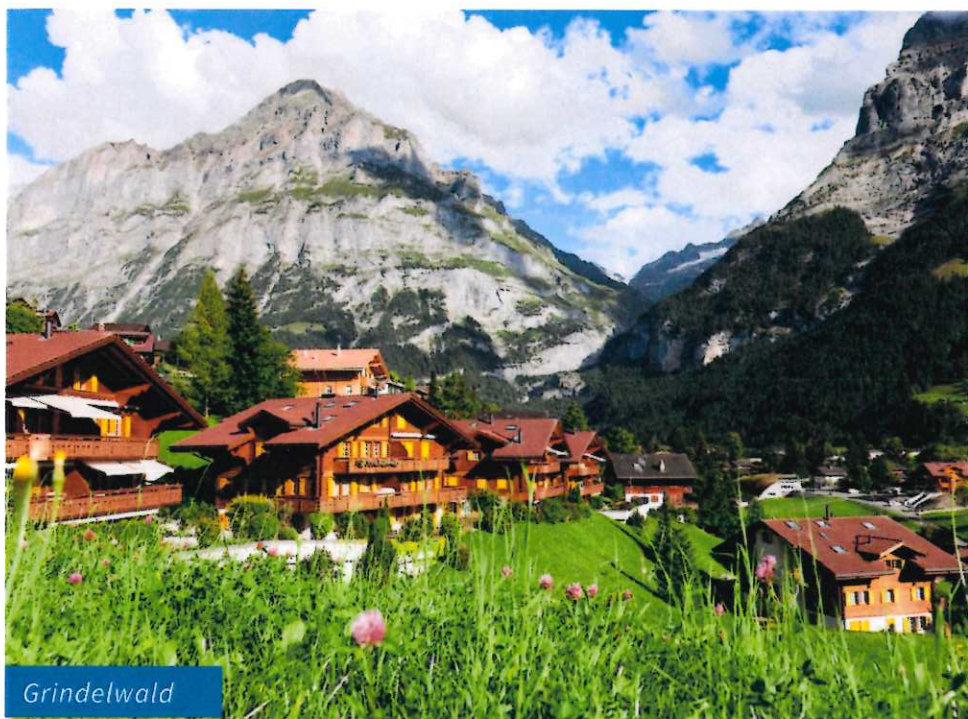

Today, travel on through countryside dotted with old Swiss Chalets and towns to Grindelwald, a charming winter resort town in the Jungfrau Mountains. Here we can relax, enjoy the scenery, or have lunch. This afternoon, travel through Interlaken, which is located between Lake Brienz and Lake Thun, and lies at the foot of the world famous Eiger, Monch and Jungfrau Peaks. (B)

Day 7: Day at Leisure (Jungfraujoch)

Enjoy a day at leisure, or you have the option to travel to Jungfraujoch — Europe's highest railway station at a dizzying height of 11,333 feet (3,454 meters) — on this 9.5-hour day trip from Lucerne. A scenic coach drive via the Bernese Oberland delivers you to Lauterbrunnen for a cogwheel train ride. You'll wind through the Kleine Scheidegg mountain pass below the foot of
