On May 21 Mountain Top School and Temple Har Shalom hosted the 6th annual Touch-a-Truck event at the Warren Middle School. On a beautiful and sunny day, this seminal event attracted nearly 1,100 community members to interact with and learn more about the vehicles that provide valuable services to our county. Supported by over 30 local businesses, our event raised valuable funds for our School and Temple's programming and educational endeavors.

Highlights at TAT included a kid's activity area where children were able to create sand art necklaces, play games for prizes, don temporary tattoos, take a ride on a helicopter, and climb through an inflatable obstacle course. Music filled the air, snacks were gobbled up and families made new friends as they spent the afternoon socializing with their fellow community members.

And of course there were the trucks! Over a dozen trucks filled the lot and the crew members were on hand to teach the children about how they worked. Spraying a hose with the fireman, checking out the computers on the police cruiser, and packing boxes on a moving truck were just some of the fun activities the kids participated in. We were proud to welcome new companies to our lot this year like a mobile *Krav Maga* truck with live demonstrations!

Nothing would have been possible without the help of our amazing volunteers. From Mountain Top Alumni to board members to Clergy to teachers to Congregants, Temple Har Shalom came together to run games, check in cars, direct traffic, and serve food to the crowds. Not only did the volunteers support the actual event, but it was a wonderful way to engage different segments of our THS family in a collective task and serve as ambassadors to our local community.

This annual fundraiser and community event is one of the highlights of our year and we thank every truck, sponsor and volunteer that organized, planned and executed this event.

**A huge thank you to all our sponsors:**

**Big Rig**

Clinton Honda

Flemington Car and Truck Country

JC Roofing and Gutters  
Land Rover of Princeton  
Somerset Patriots  
The Richard Franco Agency. Inc.
