On Thursday, November 3, 2016, we had our **Wine Tasting** event. A big thank you to the Springfield Wine Library for donating its time and services to educate us about various wines. The group of women who attended really enjoyed learned about the various wines and perfect pairings. Thank you to the Ruderman family for hosting this event in their home.

On December 3, 2016, we had our 3rd annual **Vodka & Latke** party (see photo to left). More than 70 THS members got together to enjoy delicious food and mingle with friends. The highlight of the evening was the potato *latke* bar, featuring three different types of *latkes* and several different toppings. Thank you to the Youngelsons for hosting this event in their home. Also thank you to the Men's Club for co-sponsoring this event.
