

## Virtual *Seder* Information for Passover 2020/5780

The reality of the COVID-19 plague and shelter-in-place restrictions are that we cannot gather the family around the table to celebrate Passover. Our grandmothers may need to share their long held secret brisket recipe so that we can all enjoy it though we are miles or minutes apart. In order to make the distance seem smaller and to find a way to come together, many of us are turning to the internet in order to have a virtual *seder*.

There are several platforms that can be used for your virtual seder. Look at each one to determine what will work best for your family. (THS staff research has a few sites that recommend Zoom.) There is also Skype, Google Hangouts, GoToMeeting, Facebook Live, YouTube Live, Instagram Live and many more. Our first link, *Seder2020*, also can be used as a platform for setting up the *Seder*.
