## Haggadot Options, Seder Activities, and Discussion Topics

Passover is traditionally spent with family and friends, a celebration of Jewish survival and community. But with coronavirus curtailing travel plans and social interactions, many are facing the prospect of celebrating Passover with immediate family only or even alone. In response to those asking for guidance on how to prepare for the *Seder* during this time, we've prepared this list to assist you. Wishing you and yours a joyous and safe Passover!

## **Haggadot Options**

<u>Seder Activities</u> you may not have thought of yet!

**Discussion topics** for the Seder table – virtual or otherwise
