

Knead to Feed Has a Successful Year of Baking

By Amy Hecht

Just in time to grace your holiday table, Knead to Feed begins its season of baking. To help streamline your ordering of *challot* and *mandelbread* we now have a dedicated KTF website which can be accessed through the THS website. Please look for your Knead to Feed email newsletter which will provide you with all the information for ordering.

*****Please do your orders early beginning on Monday, September 4, to September 11. Quantities may be limited. *****

We are in need of VOLUNTEERS so please sign up on via this link <http://signup.com/go/Sfppsxa> if you can give us two hours of your time on September 14 or 15. Bread doesn't rise without help. Even if you don't want to bake we need help with coordinating orders and packaging, which usually take place between 1:00pm-2:30pm.

Remember our net profits help those who are in need.

Wishing you and your family a wonderful new year from Amy Hecht and the Knead to Feed committee: Karen Feuer, Allen Hecht, Marshal Heller, Gene Kelsey, Rachel Ostry and Eileen Unger.
