

Thanks to **Garrick Long with Holden Roofing** for sponsoring the March Chamber Small Business Breakfast. Garrick shared, "The Holden family has been recognized as one of the strongest names in the roofing industry since 1961. With thousands of satisfied customers to back the reputation we are so proud of today, we strive to treat each customer as if they are our only one, and each roofing job as if it were a job on our own home. Our commitment to excellence resonates through experienced crew leaders, salespeople, repair technicians and our customer service minded office staff. We have a fully staffed office ready and waiting to serve all of your roofing needs. We look forward to exceeding your expectations. Holden Roofing is proud to be recognized as a Platinum Preferred Contractor through Owens Corning. It is a prestigious certification that only a handful of roofing companies can brag about."

Holden Roofing comes to the Huntsville/Walker County area by way of Garrick Long. Even though the two area offices are in Spring and Rosenberg, Garrick lives here in Huntsville to provide excellent customer service and bring the strong Holden name to our area. With the process starting as a free storm damage evaluation, Garrick will be by your side from start to finish.

"Holden Roofing, set in stone since 1961. We would love an opportunity to add you to our list of Happy Holden Homeowners."
