

July SBB Outline – Bilco Air

Thanks to **Bilco Air Conditioning & Heating** for sponsoring the July Chamber Small Business Breakfast. Bilco Air, owned by Chris and Billy Ebert, is a leading cooling contractor located in Onalaska. Public Relations Coordinator Judy Ebert shared, "We provide our clients with a comprehensive approach to contracting and specialize in a wide range of services including industrial and residential HVAC installation, HVAC repair and preventive maintenance. Since we started out in 2000, we've been committed to our clients' needs and satisfaction. Our newest service is virtual estimates and service calls."

Bilco Air is located at 2106 FM 356 in Onalaska but service surrounding communities as well. You can find our more at www.bilcoair.com or call 936-646-6691.

"No matter what kind of equipment you have, we've worked on it before and we have the expertise to service it correctly. We also have the largest parts inventory in the business, so repair times are consistently fast. Get in touch to receive your free estimate today and let us show you how we can deliver a quality product within your budget!"

Bilco Air.... Precision. Punctuality. Commitment to Excellence.
