

Member Spotlight – Eastex Trailers & Storage

Eastex Trailers & Storage is a retailer for the following brands of trailers: Cargo Mate Trailers, Diamond C Trailers, Delta Trailers, Longhorn Trailers and Ranch King Trailers. Typically stocked are cargo (enclosed) trailers, auto carriers, utility and livestock trailers. They also have a fleet of trailers that we rent and we offer official State Inspection station for trailers and motorcycles.

In addition, they are a retailer for Cook Portable Buildings and Eagle Carports and they are a self-storage facility catering to anyone having a need for a large storage unit, especially boat and RV owners.

John Cole-Managing Partner shared, “Our mission is to provide excellent products and service to anyone needing to buy or rent a trailer, anyone in the market to buy a portable or steel building or needing to rent a large self-storage unit. Offering only high-quality products and service to my customers are of the upmost importance to me as a business owner.”

“Growing up in Huntsville and attending SHSU has given me an opportunity to build valuable, cherished relationships. I believe these relationships are big reasons for the success of my business. I became a member of the Huntsville-Walker County Chamber of Commerce because I felt being a member gives me as a small business owner an opportunity to network with other local small business owners in an effort to build valuable business relationships.”

First and foremost, I give all the credit of the success of my business to my lord and savior Jesus Christ who gives me discernment and inspiration every day.

Eastex Trailers is located at 3156 Hwy 19. You can find them on the web at www.eastexterailers.com. You can also reach them by phone at 936-291-0404.
