

Thanks to Community Service Credit Union for sponsoring the December Chamber Small Business Breakfast. CSCU has two convenient locations, 250 FM 2821 and 2526 Montgomery Road. Marketing Manager Christa Bryce shared, "CSCU has been serving our community for more than 66 years. Rooted in Walker county, we've grown to offer financial services to people and businesses in select surrounding counties, making it easy to qualify for membership. CSCU's mission is to help members bank happy, spend smart, and live well. This goal became so much more meaningful to our staff during 2020, the year that turned out to be so mentally, physically, and financially stressful for everyone."

In addition to convenient online services and 24/7 ATM access, CSCU now invites you to bank with their personalized appointments. Their bankers and loan officers are available for customized appointments that let you leave behind the wait times and long lines.

Schedule your appointment and bank happy today at [cscutx.com/schedule](https://cscutx.com/schedule)!
