

Our June Member Spotlight is **Kstar Country 99.7 FM**. Sherry Ingram – Sr. Account Manager shared, “**Kstar Country 99.7** is a full service independently owned and operated Radio Station serving Walker and Montgomery Counties as well as the surrounding areas since 1992. K-Star offers “***The Best Mix in Country Music***” and features a rich blend of **Today’s Hits, Yesterday’s Classics** and **Great Texas Music!**”

“Our mission is to provide entertainment, business and community information to our listeners as well as effective and affordable advertising options for our clients. We attribute much of our success to the great advertisers that have allowed us to serve them throughout the years and, to a dedicated staff with the majority having worked together for the past 10 to 20 years. **Kstar Country 99.7** is proud to have a lineup of air personalities that include winners of statewide, national and multinational awards and professional recognition in various categories, as well as being considered “home” to two air-staff members who are Texas Radio Hall of Fame Inductees, Mary McCoy 2010 and Larry Galla 2011.

KSTAR has been a member of the Huntsville-Walker County Chamber of Commerce for many years. “At K-Star Country we believe it is important to be active in, and a part of the communities we serve. I have served as our Huntsville area representative since 1998 and served on the Board of Directors for the Huntsville Walker County Chamber of Commerce. I also currently serve as a member of the Thursday Leads Group and as an Ambassador for the Chamber. Living in Walker County, it allows KSTAR to have someone that is very active in the community to work hand in hand and be a direct connection to businesses and organizations there. My theory on being a chamber member has always been “Don’t just join and expect great things to happen, get involved...you get out of it, what you put into it!”
