

## MEET MARJI!

She is the founder of MARJI, a private label beauty line that carries her name. Working out of her studio on Avenue M in Huntsville and her pop-up studio in Houston, she teaches ladies of all ages how to achieve a fresh, natural look for every season of their lives. "My passion has become finding skincare products that actually have significant results. I teach women how to work with their age rather than against it by using the right skincare and makeup to enhance their God given beauty."

Marji shared, "The cosmetic counters can be pretty intimidating! With over 4 decades in the beauty industry including my most recent experiences at Nordstrom on the east coast and at the Houston Galleria, I have done my homework to bring my clients what they need and all with personalized instruction so they can achieve EVERYDAY BEAUTY every day." She brings uptown insights with a hometown heart. "Being a Connecticut Yankee for over 60 years I got to Texas as soon as I could!"

Call her to set up your private **complimentary** coaching session. "You will come away with amazing tips on colors & techniques, a duplicatable fresh new look, and a fun uplifting experience that will truly make a difference in your life."
