

Thanks to **Wiesner, Inc.-Huntsville** for sponsoring and hosting the December Chamber After Hours. Executive Assistant Anne Smith shared, "May of 1994 was the beginning of a beautiful partnership. Clint McLaren had just moved to start a new career with a new company in Sales. He has held many titles within the Wiesner Organization, all to prepare him for the most daunting task as General Manager. Hard decisions, complete trust in other's abilities and working countless days and weekends. Traveling, training, leading, cooking and volunteering has made this store stand out! Wiesner Huntsville is the best in its class to motivate our youth with opportunities. Whether it is showing support through sporting events, building leaders in the National Honor Society, mentoring them through the Walker County Fair and Rodeo and creating a safe place for them in our community through the partnership with the SAAFE House, CASA and Boys & Girls Club both of Huntsville and Trinity. Wiesner Huntsville has been generous through the years with sponsorships, funding of local organizations and by creating job opportunities to our community by hiring many SHSU students. Wiesner Huntsville and Clint McLaren have a unique outlook on how to create, support, and serve the community. Giving back is our #1 goal!"

Wiesner Huntsville is located at 230 I-45. They offer a large selection of new and used vehicles including Chevy, Buick, GMC and Cadillac. In addition the service, part, accessory and tire departments are there to help keep your vehicle running in good condition. They have earned the "Best in Class" award and GMC's 5 Star" award. Stop by and see for yourself the outstanding service they provide as they strive to make your car buying experience pleasant and hassle-free. Hours of operation are for sales, Monday-Saturday 8:00 - 8:00 (close at 7:00 on Saturday). Service and parts are open Monday - Friday, 7:00 - 6 and Saturday 8:00 - 2:00.
