

[Advantage Specialties](#) is our June Member Spotlight. Owner Stephanie Pitts shared, “Advantage Specialties is a full service advertising specialties and promotional products company specializing in embroidery. Since opening our business in 1984 it has been our mission to promote your business through quality advertising products. Whether looking for something specific or just looking for ideas we invite you to peruse our website as a one stop shopping source. We offer fun items to traditional as well as some of the hottest items on the market!”

We asked Stephanie about her purpose for being an active member of the chamber of commerce. “We have been a member of the chamber since 1990. We feel that being a chamber of commerce member makes your business more desirable to customers; consumers are 80% more likely to purchase goods or services from chamber members. In addition we have formed many long lasting relationships through the chamber. Through these years it has been our pleasure to volunteer and participate in events throughout the chamber and community.”
