Weekend of Action: *Recap*

This weekend was our Weekend of Action, celebrating **100 days until Election Day**. Turnout was awesome! Thank you to all the volunteers who showed up.

The two people who knocked the **MOST DOORS in the state of Ohio** on Saturday are our Region 10's very own Field Organizers **Ginger Finigan & Pablo Frontera Mendez** who each knocked on more than 200 doors!

Supporting Democrats with your Business

Meet Audrey. As Field Organizers, we thought we worked a lot of hours - but Audrey works even more at her salon! With her limited hours, she wasn't able to volunteer, but she still wanted to support the campaign. So she suggested we drop off signs to put up in her salon. Thanks Audrey for making a difference with your business!

Do you have a business where signs would be visible? Let us know!

Sharing with the Office!

This is Laura (on the left) and her wife Mimi. Laura volunteers in the office on Saturdays and helps us keep track of other volunteers. Laura works with the Cleveland Heights Democrats group. Laura & Mimi donated their microwave to the office. What a gift it has been. Now they've gone the next step and donated a rug! Why is that important? Other than the fact it makes the office look nicer, it's also VERY helpful in absorbing sound, as the office is mostly hard surfaces where sound just bounces around - especially during call time. Thanks Laura & Mimi for making a difference with your donations!

*We are still in need of additional **rugs**, and **bracelet making supplies** (beads) for an upcoming event.*

Bluest Suburb is Beachwood!!

Which city/ward club has the most dedicated members and the best outreach into their community?

Beachwood won the contest for Bluest Suburb with the most committed volunteers. The Golden Blue Certificate was awarded to the president of the city/ward club whose community earned the most volunteering points.

We got a New Sign!

The Cleveland Heights Field Office got a new sign! We are always trying to update our space to make it a more welcoming and functional environment for our volunteers. The most recent update includes a new sign for our office. Come check out the space for yourself and see the unique decorations that make it truly a part of the community. From donated historic decor to crafted celebrations of our amazing volunteers, our office highlights our community.
