CAREER CENTERS REOPENING

PENSACOLA, Fla. (May 26, 2020) – CareerSource Escarosa, in alignment with Governor DeSantis’ plan for reopening the economy, will reopen its Career Center doors on Monday, June 1, 2020. Our professional staff will be available to serve customers in the centers, some by walk-in on a first come-first serve basis, and others by appointment.

All individuals visiting our offices must be aware of changes in our processes in response to the health crisis:

- Every individual is required to wear a face covering or mask – please come with your mask.
- All visitors will be screened before entering the center, including a brief set of questions and temperature check. Individuals with symptoms will be asked to return when they are symptom-free.
- We require everyone to use hand sanitizer before entering the building.
- Please bring a pen to write with.
- We will limit the number of visitors in our centers at all times.

We continue to encourage the use of internet-based services such as www.employflorida.com, www.floridajobs.org, and to call our offices for assistance if needed. Those needing to initiate or manage a reemployment claim for benefits will find the link to the CONNECT system at <http://www.floridajobs.org/Reemployment-Assistance-Service-Center/reemployment-assistance/claimants/apply-for-benefits>.
